Verviers, Liège

Driving licence : B

## EDUCATION

**Bachelor of Computer Science** (2018 - 2022)  
HELMo Campus Guillemins, Liège

I was part of the Salto program which aims to confront students with the different facets of the computer science professions, by working on the realization of professional projects.

**High Secondary Education Certificate** (2011 - 2018)  
Saint-François-Xavier 2 Institute, Verviers

I had Science option, I really liked this option especially the physics
